

*Because children learn with their bodies
as well as their minds.*

Kinderdance (age 3-5) is a developmental dance/movement and fitness program teaching the basics of ballet, tap, gymnastics and creative movement while blending educational concepts. All programs are taught by certified instructors who specialize in teaching dance, gymnastics and creative movement to young children. Our emphasis on Early Childhood Development makes our program unique. The programs are held at your child's school for your convenience. If your child doesn't attend school on Dance Day you may bring them to school just for Kinderdance class. Visit us on the web for more information www.kinderdance.com

Classes run with the school year September through May. The children will perform in a year end demonstration to show all that they have learned throughout the year. The demonstration is held at the center in the evening for the convenience of parents. Children are encouraged to wear dance wear to class including a leotard, tights, ballet and tap shoes. A dance skirt is optional. Dance wear may be purchased locally or through Kinderdance. Email dbobeck@ptd.net or call Miss Dawn for a Dance Wear order form.
